EXPERIENCE

Sport Consultancy & Data Analyst Intern

September 2025 – December 2025

Future Sport & Entertainment (Sydney NSW)

- Delivered sponsor exposure analysis across sports broadcasts by coding on-screen logo appearances, visibility conditions, and camera-angle context from image-based datasets.
- Built and cleaned Excel tracking files for events including Supercars, Sydney Marathon, and Berlin Marathon, supporting automated media valuation workflows.
- Analysed New Balance brand visibility using TVEyes, tracking media exposure generated through sponsored athletes across international sports coverage.
- Produced client-facing insight summaries and visualisations on athlete media performance, including US Open analysis of Coco Gauff and Tommy Paul.
- Standardised multinational broadcaster datasets for J.League, integrating cross-region reporting into a unified metadata system for analysis and presentation.

Finance Sales Intern – Training Program

January 2025 – February 2025

Bacera Co Pty Ltd (Sydney NSW)

- Competed Bacera's mentorship and training program, acquiring industry knowledge and practical experience with trading platforms in financial services sector.
- Gained insights into derivatives trading, enhancing understanding of FX and CFD products while building foundational skills for trading industry.

- Applied trading strategies across diverse assets, achieving a 20% profit in demo account deploying different methods and approaches.

**Data Analytic Assistant Intern
Sportsyear (Sydney NSW)**

August 2024 – November 2024

- Adopted Google Analytics to monitor and manage company product usage on venue websites, tracking metrics page views, access frequency, bookings, and user interactions. Delivered monthly email reports to internal stakeholders.
- Investigated 15 venues' websites, social media, and email engagements to ensure accurate integration of company products and consistent customer interaction. Provided reports and recommendations to team leader to facilitate internal insights and enhance client engagement.
- Analysed product usage and online booking data for Cheers Bar and The Star Sydney deploying Excel, generating insights and creating visualisations for stakeholder presentations.

Volunteering

September 2023 – February 2024

UOW PULSE STUDENT ENGAGEMENT

- Instructed in IceBreakers Leadership Course - opportunity for leadership skills development.
- Served as a reserved team member for a student music event on campus.
- Engaged in environmental volunteer activities, such as caring for school garden and participating in weekly organised litter clean-up efforts around school premises.
- Contributed to training sessions and exchanged insights with new member.
